Drawings

1. The objection to the drawings is withdrawn due to Applicant's amendment dated 7 October 2005.

Claim Rejections - 35 USC § 112

2. The rejection of the claims under 35 USC 112 1st and 2nd paragraphs is withdrawn due to Applicant's amendment dated 7 October 2005.

Allowable Subject Matter

3. Claims 1, 6, 7 and 9 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art neither anticipates nor renders obvious an internal broaching machine as claimed in independent claims 1 or 6. Applicant has incorporated allowable subject matter from the previous office action into the independent claims.

The closest prior art is US Pat. No. 5,833,411 (Holstein et al.) as is discussed in detail in the previous office action.

Holstein does not anticipate nor render obvious the claimed inventions of independent claims 1 or 6.

Furthermore, there is no prior art, either alone or in combination with Holstein, that would render obvious the claimed invention, and no motivation found to modify Holstein to obtain the claimed inventions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
